CIRCULAR

Subject: Internal Marks Entry for Final Teaching Practice **B.Ed. 2023 Admission Batch** (Backlog & Absentee Students).

All Principals of the B.Ed. Colleges under the Palamuru University.

Based on the representations received from various affiliated colleges and students, it has been observed that the **internal marks entry option for the Final Teaching Practice** of the **B.Ed. Course – 2023 admission batch**, particularly for **backlog and absentee candidates**, is currently **unavailable under the Backlog section** in the examination portal.

As per the **curriculum of the B.Ed. (2023–2025)**, the Final Teaching Practice follows a **50% Internal and 50% External assessment scheme**, and candidates must secure a **minimum of 50% overall** to pass.

It is also noted that, **as per the University norms, internal entry will not be permitted for a second time**. To ensure that such students are not academically disadvantaged due to this technical limitation, all Principals of affiliated colleges are hereby **permitted and instructed** to enter the **internal marks** for the **Final Teaching Practice backlog and absentee candidates** of the **B.Ed. Course – 2023 admission batch**, as a **one-time special provision** through the following Google Form link: <https://forms.gle/vV8YA4mvPUG2ibtZ6>

Note: This will be the last and final opportunity to enter the internal marks for these students. No further chances will be provided.
